CITY OF SURREY, CANADA TO VISIT KSD MUNICIPALITY

The King Sabata Dalindyebo Municipality will be hosting the City of Surrey from Canada for a week, 04-08 November 2019. Part of Canadians visit is to conduct a seminar on Women Entrepreneurship (WE) and further engage on the progress of the partnership since its inception. The seminar intends to train about sixty (60) local business women from various sectors on business management.

The visit is in line with Building Inclusive Green Municipality (BIGM) partnership forged with Canada in October 2017. The partnership focuses on capacity building and reviewing of Local Economic Development (LED) strategy with consideration of Agriculture, Creative Arts and Tourism as economic stimulus.

Based on the above stated information, the KSD Municipality is inviting a reporter/s from your organization to the session that scheduled as follows:
