

PUBLIC NOTICE: COVID19 UPDATE

3 June 2020

KSD Municipality is currently conducting COVID-19 tests to its essential service personnel including our political leadership.

The tests are conducted as a result of the recent COVID-19 cases that engulfed the municipality leading to the indefinite closure of Munitata Building.

To date, we have tested 490 members of our personnel and the results have not been received as yet.

However, there are 4 recorded cases (personnel) which necessitated testing of all the municipal essential services personnel.

Two staff members are hospitalized, we wish them a speedy recovery. Sadly we lost two staff members who died due to COVID-19 related conditions.

We extend our heartfelt condolences to their families, colleagues and friends; may their souls rest in peace.

We will keep their families in our prayers as we continue to mourn the loss of lives of many South Africans.

We urge our communities to be vigilant during these trying times and may God be with us.
