

NOTICE NO. 13 OF 2025

NOTICE TO ALL MOTORISTS IN MTHATHA

This serves to inform all Motorists that the Municipality has noted with serious concern about the removal of meter sensors in the Central Business District (CBD). This is an act of criminality and those responsible should refrain from this conduct.

Also, the Municipality will in terms of its Street Parking Management Bylaw embark on Clamping and Towing vehicles with outstanding debt generated from implementation of parking management system as from the 01st of February 2025. Vehicles will be impounded and released upon payment of outstanding debt, clamping and towing fees.

Motorists are urged to visit Help Desk at Munitata building to check for outstanding parking fees.
