## NOTICE OF APPLICATION FOR ELECTRICITY TRADING LICENCE IN TERMS OF ELECTRICITY REGULATION ACT, 2006

In terms of the Electricity Regulation Act, 2006 (Act No. 4 of 2006); Pioneer Power Trading (Pty) Ltd (PPT), a private company, hereby notifies all residents in the Nelson Mandela Bay Metropolitan Municipality (NMBM) that a licence application has been lodged with the National Energy Regulator of South Africa (NERSA) to conduct Electricity Trading within the NMBM in line with Municipality's wheeling provisions, municipal bylaws and Wheeling Framework and Use of System Agreement for Trading.

PPT, once granted the licence by NERSA, will export and intake electricity from contracted electricity generation facility (ies), and use the municipal distribution system for purposes of trading with electricity customers. Subject to the approval by NERSA, the trading facility(ies) will be established at 15 Mangold Street, Newton Park, Gqeberha where electricity will be sold to specific customers that have entered into a customer Power Purchase Agreement with PPT.

The licence application is available for inspection at Walmer Library, Main Road, Walmer, Gqeberha. The application is also posted on the Applicant's Website https://africanpioneergroup.co.za/energy as well as on NERSA website, www.nersa.org.za, under Consultation Papers.

All interested parties and/or any member of the public may lodge written objections with NERSA, within 30 days from the date of this publication. Such objections must be in a form of an affidavit and must be directed to NERSA through any of the addresses below:

## PUBLIC NOTICE

**NOTICE OF APPLICATION FOR ENVIRONMENTAL AUTHORISATION, IN TERMS OF THE NATIONAL ENVIRONMENTAL MANAGEMENT ACT, 1998 (ACT 107 OF 1998) AND THE ENVIRONMENTAL IMPACT ASSESSMENT (EIA) REGULATIONS, 2014 (AS AMENDED)**

**PROJECT DESCRIPTION**
The proposed project comprises the installation and operation of cable landing infrastructure for the provision of telecommunication services. The Cable Landing Facility is proposed to be sited within the East London Industrial Development Zone (ELIDZ), Buffalo City Metropolitan Municipality, Eastern Cape Province, and will support the landing of up to four future subsea cables (subject to separate EA application process(es)). Components of the project will include: a new Cable Landing Station (CLS); two beach manholes (BMHs); four horizontal directionally drilled (HDD) seaward bore pipes; a short section of front haul (FH) conduit (approximately 30 to 40 m running between the BMHs and the CLS); and a system earth.The four seaward bore pipes are to be drilled underneath the beach and littoral active zone, emerging at approximately 15 m water depth (approximately 1 km offshore). The bores will be drilled via HDD from an entry point within the ELIDZ. The bore pipes will each have a diameter of approximately 0.2032 m and measure approximately 800m in length. The exact length, width and route of the bores will be determined following desktop and geotechnical investigations. The proposed cable landing infrastructure is proposed to be constructed either within the ELIDZ or below ground.The proposed development will potentially trigger activities 2, 14, 15, 17, 18 and 19A in Listing Notice 1, activities 14 and 26 in Listing Notice 2 and activities 10 and 12 in Listing Notice 3 of the NEMA EIA Regulations, 2014 (as amended).

**REGULATORY PROCESS**
Due to triggered activities in Listing Notice 2, the application process for Environmental Authorisation (EA) will be subject to a Scoping and Environmental Impact Assessment (S&EIA) process. AECOM SA (Pty) Ltd. has been appointed by Sawfish Services (Pty) Ltd as the independent Environmental Assessment Practitioner (EAP) to undertake the required application process and the associated Public Participation Process (PPP).

**INVITATION TO REGISTER AS AN INTERESTED AND AFFECTED PARTY (I&AP)**
You are hereby invited to register and comment on the proposed project and application. In order to ensure that you are identified and registered as an I&AP and that your comments are captured, please submit your name, contact details, the reason for your interest and any comments, in writing or telephonically to AECOM.

By registering as an I&AP you consent to the collection and processing of your personal information for use in the statutory PPP associated with the project.
